Re: **IFB # 07-29-08 BUS SHELTER INSTALLATION**

On behalf of Mobile Transit Management d/b/a The Wave Transit System located in Mobile, Alabama, thank you for your interest in the Bus Shelter Installation Project, IFB # 07-29-08.

Please be advised that the above referenced procurement has been closed with no vendor being selected. This comes as a result of questions and concerns regarding each specific proposed shelter location. As soon as additional information is gathered a revised IFB will be issued and the project will reopen.

We apologize for any inconvenience this may have caused. Your contact information will remain on our Bidder's List and once the revised IFB is issued we will forward you a copy and it will also be available on our website www.thewavetransit.com. Again, thank you for your interest.
